Did you feel like you had a voice in the conversation today?

Were you able to provide the input to our conversation that you had wanted? Why/why not?

If you were Queen/King for a day what would you do differently to ensure St. John's continues to head in a positive direction?

What suggestions do you have to help us improve our format for our next meeting?

What additional suggestions do you have for moving St. John's forward?

Would you like to be contacted directly by either Pastor or a council member? Please circle whom.
