

Council Liaison Report

Committee: Y & E

Date: 8/26/2025

Celebrations (Accomplishments/Good things that have happened)

VBS went well. With candy bar and syrup sales and donation, we were \$1.84 below budget.

1. We already have volunteers for next year – Rainforest Falls.
Faith Finders – have a fantastic start to establishing teachers for the new year. We should also have
2. some new students.
3. We welcome Addison Devroy to our committee.

Challenges (What is helping or hindering projects?)

Secret Pals – some of the adult pals don't seem to understand the program. We need to clarify

1. expectations.
2. _____
3. VBS date for next year - schools summer classes and St. Pius date is causing a challenge for us to pick our week to hold VBS.

Current & Future Projects
